### STEP 2

Using a round nose pliers, turn a loop and trim excess headpin with wire cutters.

### STEP 3

- Thread 1 – crimp tube on stringing wire, add jump ring, thread wire back thru crimp tube, leave a 2” tail, crimp using tool.
- Arrange beaded fringe by size, alternating different patterns of fringe and string 3-4 headpin fringes alternating with large 5000 beads in random pattern.

### STEP 4

- Continue pattern as illustrated. Make sure tail of wire is secure under 2 large beads. Trim excess tail wire.
- End necklace with a large bead, add crimp tube, clasp, make sure all beads are snug and tail from jump ring side buried under 2 large beads.

### STEP 5

- Thread thru large beads and fringe, exiting under a large bead. Crimp and trim wire as shown.
